FYLDE DISTRICT GOLF LEAGUE

2010 Scratch League

League Table & Write Up (After round 6)

Blackpool Park took on Royal Lytham last night who could only field 5 players on the evening, giving the Park a 1 point lead before anyone teed off. James Hall & Ian Hill lost both their opening matches against Lee & Aiden who have been in great form all season and apart from a good win from Stuart Gibson 4&3 the Park ran out comfortable winners on the night.

North Shore entertained Fleetwood at home last night in the latest round of the Fylde Scratch League and got the win they needed by 4½ - 1½, with impressive wins for the top 3, Gowland, Tchobanian & Moseley and a big win for John White Jr by 7&6. The win leaves North Shore in second place a point behind St. Anne's Old Links and tied with Fairhaven.

Fairhaven played themselves into a great position to challenge for the league with a 5 – 1 victory over Knott End with a notable scalp for Luke Walker (2 Up) over Mike Hartley, who re-named his opponent 'Willie-one-Putt' after his display on the Greens last night!

St. Anne's welcomed Green Drive last night and came off winners, but dropped 2 points that may prove crucial as Simon Denye (surely the form player of the league this season) ran out a heavy winner in the top game against Charlie Beavers by 6&4, turning 6 under through 14 holes, which is no mean feat off the Championship course, Birdies on 5, 8, 9, 10, 12 & 14 proving what is his best win this year. Heavy wins for Paul Thornton (returning to the side), Phil Kilgour & Matt Walton cementing SAOL's unbeaten season in the league. With one more game to go they hold a single point advantage over N. Shore & Fairhaven.

LEAGUE TABLE (After Matchday 6)

| <u>Club</u> | <u>Played</u> | <u>Matches</u> | <u>Won</u> | <u>Drawn</u> | <u>Lost</u> | <u>Points</u> |
|-----------------------------|---------------|----------------|------------|--------------|-------------|---------------|
| St. Anne's Old Links | 6 | 36 | 26 | 2 | 8 | 27 |
| North Shore | 6 | 36 | 25 | 2 | 9 | 26 |
